

## Levels of Relationship

The three levels by which individuals can engage with the Project Lab network as we facilitate collaborative projects that tangibly demonstrate God's love and unify the Church in WNY.

### Contact Level

Individuals at the Contact Level agree to be in our database and to receive communication:

- We will communicate with you directly regarding specific opportunities that we believe are uniquely suited to your passions, skills, and connections.
- In addition, you can opt-in to receive periodic emails informing you of upcoming collaborative events and projects in WNY.

### Volunteer Level

Individuals at the Volunteer Level commit to serve in one or more of the following ways:

- Join a Prayer Team: commit to regular ongoing prayer for specific collaborative Kingdom projects and the unity of the people of God in WNY.
- Participate in one of our Industry Tables: join a group of Christians who share your profession to network, offer encouragement, brainstorm, and identify collaborative Kingdom projects to support.
- Volunteer with a specific Project: we will match you with a collaborative Kingdom project where you can offer your time as an industry expert, a specialist, or simply to serve as common labor.

### Leadership Level

Individuals at the Leadership Level commit to serve in one or more of the following ways:

- Moderating an Industry Table: provide leadership to a group of Christians from a specific profession as they network, encourage each other, brainstorm, and identify collaborative Kingdom projects to support.
- Owning a specific Project: provide leadership to a collaborative Kingdom project until it reaches completion.
